**Policies**

**Student Conduct**

The University of Oregon has promulgated a Student Conduct Code which contains important regulations, policies, and procedures pertaining to student life. It is intended to inform students and members of the University community who work with them of students' rights and responsibilities during their association with the institution and to provide general guidance for enforcing those regulations and policies essential to the educational and research missions of the University. The full terms and conditions of the Student Conduct Code are contained in Oregon Administrative Rules Chapter 571, Division 21—University of Oregon. Highlights of the Student Conduct Code are published on the Dean of Students website.
